

Caribou County Fair & Rodeo

ARE YOU READY FOR 2024 FAIR SEASON!!!! Preparations for the upcoming 2024 Caribou County Fair & Rodeo are underway. We want and invite you to participate the week of August 5th through August 10th with a commercial vendor booth. A contract is enclosed for your use. In order for us to reserve your spot and plan accordingly, **please return the contract and payment by April 30, 2024.**

Please ensure that when requesting a spot for your booth or trailer, that all your equipment, generators, tent, etc. will completely fit inside your requested area size. Please measure from the trailer tongue to the rear of your trailer and account for all equipment. We will be very strict on the size specifications. **Large trailers are required to set up the Friday or Saturday** before the fair. You will be responsible for your own health permit and electrical inspection if you are required to have one. Please understand that to ensure our fair is a success we will place you where we think your business will benefit the fair the most. Understand there are no assigned spots and you may not be in the same place as last year. Please be patient and understanding that we want to have you at our fair and will try to accommodate as best as possible.

Once you have sent in your contract and payment, the next step is to fill out The Idaho State Tax Declaration form. This form is now online. Once we receive your signed contract, we will email you the Event ID# and instructions to complete this step.

If an RV spot is needed, please let us know ahead of time so it can be reserved. The price of RV spots for vendors for the week will be \$50 for full-service spots and \$20 for electricity-only hook-ups.

We are excited to work with you and hope you will plan to attend. Please contact us with any questions or concerns.

Thank you,

Caribou County Fair & Rodeo
